

BioSci Zoom Room Quick Start Guide

To present in room (wired)

1. Turn on the display (either using the power button on the display or the power button on the wall).
2. You will see a BioSci logo.
3. Plug the HDMI cable from the wall plate into your laptop. Content will automatically show up.

To present in room (wireless)

1. Turn on the display (either using the power button on the display or the power button on the wall).
2. You will see a BioSci logo.
3. Open the Zoom app on your laptop/device and click the share screen button.

4. If your screen doesn't automatically share, you will be prompted to enter the **"Sharing Key"** from the top right-corner of the TV. This will wirelessly share your

To Zoom

1. Turn on the display (either using the power button on the display or the power button on the wall).
2. You will see a BioSci logo.
3. Use the TAP touchscreen display next to the TV to start and control your meeting. You may share to the Zoom using one of the two above methods.

To Connect to WiFi

1. Connect to UCI-Guest from your device and follow the prompts to agree to the terms.
